

# Arts and Crafts Club

Arts and Crafts Club activities are conducted in Independence Center. Our club has many different groups, and you are sure to find something of interest.

Club membership is open to all residents. Please refer to the following chart with contact information for the various Arts and Crafts group activities.

**Needlepoint** is a small group of enthusiasts who meet year-round every Wednesday from 1:00 p.m. to 3:00 p.m. For SCA newcomers looking to make friends with those who have similar interests, needlepoint is a great place to begin.

Start a new project or finish one that's been in your closet. New members are welcome, men included. Fellow members with vast knowledge and expertise are available and willing to help. No project is too big or too small.

Participants bring their own supplies and equipment. Each needlepoint member works on his or her own project while sharing ideas and providing a supportive, collaborative atmosphere for creativity. In addition to needlepoint, members work on other projects including embroidery, counted cross-stitch and the like.

If this sounds interesting, contact Karen Gustafson at 702-658-4858 or karentwa66@yahoo.com for more information, or drop by the Arts and Crafts Club's room in Independence Center and join in the fun.

**Visit the Arts and Crafts Club's display cases in the Anthem Fitness Center and Independence Center.**

Throughout the year, examples of our club's many groups' work are displayed in these cabinets, which are put together by Sandi Athey, second vice president on our board. The display cases are changed out every few months.

Some items on display are also for sale; call Sandi Athey or ask at the Independence Center front desk. Sandi may be reached at [sandiandjohn@yahoo.com](mailto:sandiandjohn@yahoo.com) or 702-568-7178.
